Verbal reports were given on the Can. Friends Service Com. work and the Refugee Work. It was felt that the News-letter regularly sent out to members from the Service Com. covered

the work pretty well. The Refugee work has been carried on throughout the year under difficulties. However a number of articles have been sent to Toronto to be forwarded with the goods sent from there. Among them were 6 pairs children's overalls, 1 cot quilt, 1 knitted sweater and a pair of knitted socks. Other articles are being prepared to send as soon as possible. Our great need is for helpers in the work. There is still great need for all kinds of good clothing to be sent overseas.

The Meetings have been regularly held the fourth Tuesday of each month with the exception of July August and December. The average attendance was 7. The president, Wilhelmina Rose, was in charge of most of the Meetings which combined devotional, business and social periods.

Two open meetings were held, one in May, addressed by (Mrs) Capt. [Scwab] of the Salvation Army and one in November when Barbara Walker told us of her Relief Work, in Germany and her visit to the World Council of Churches at Amsterdam. Ladies from the other Churches were present and a dainty tea was served at the close. Our usual work of helping with the Caretaker's expenses and paying the Church light bills has been carried on.

The Friday evening sewing Group has met as regularly as possible during the year and were able to quilt about six quilts, for various members and friends.

Oilcloth was purchased for kitchen and primary room tables. Christmas cards were sent to shut-in and absent members.

It was also agreed to bring up the matter again within a year's time.

The Missionary Society Report was given by the Secretary Martha B. Moore.

The meetings were regularly held each month at the different homes, with the exception of July and August. Though small in number they were interesting and we hope, helpful.

Our study book for the year was "Religious Life on Our Mission Fields". An appropriate roll-call was chosen for each month.

On the evening of September 22nd a public Meeting was held in the Schoolroom to welcome Herbert and Madeline Nicholson and their two sons. The Nicholsons were formerly missionaries in Japan working with the Binford's for a time. Mr. Nicholson showed moving

pictures in colour which were much enjoyed. About 30 were present and a social time was spent at the close of the Meeting.

Ottawa, Ontario
February 22, 1951

Rt. Hon. Louis St. Laurent,
Prime Minister of Canada,
Ottawa, Canada.

Honourable Sir:

The Historic Peace Churches of Canada, namely: Mennonites, Brethren in Christ (Tunker), Society of Friends (Quaker), and the Church of the Brethren have enjoyed residence in this Dominion for over one hundred and fifty years. We sincerely appreciate our country, the tolerant attitude of her Government, and her strong efforts to promote peace among all nations.

We especially to pay respectful tribute to the late Prime Minister of Canada, the Rt. Hon. William Lyon Mackenzie King. At the same time we wish to take this opportunity to assure you, our present Prime Minister, of our prayers that the blessing of God may rest upon you and the Government of Canada.

Historically, as Peace Churches whose number exceeds fifty thousand members, we have a Biblical background and deep-rooted, sacred convictions against participating in war in any form. We are indeed grateful to our Government for granting to us freedom of conscience and religious liberty which enables us to worship Almighty God according to our understanding of his Word.

We have enjoyed this privilege ever since our church fathers came to this country in 1790. Since that time legislation in Canada has consistently respected the peace convictions of all our groups including those which have come during the intervening years.

During World War I the Government granted to all our drafted young men postponement from military service. Again, in World War II exemptions were provided for conscientious objectors by allowing them to serve in projects of national importance under civilian supervision.

We as Peace Churches, believe that war is out of harmony with the teaching of the Gospel and the Spirit of our Lord Jesus Christ; consequently we are restrained from engaging in war or violence of any kind.

We are not asking for safety that avoids danger and sacrifice but we cannot have any part in the taking of human life. We are willing to serve our country and fellowmen in relief work at home or abroad or to engage in work of national importance such as service in hospitals, mental institutions, industry or agriculture under civilian administration. In the unfortunate event of a national emergency which in the view of the Canadian Government demands the mobilization of

manpower, it would be appreciated if an opportunity could be given for consultation with Government officials as to ways in which we might serve in accord with our peace testimony.

We trust our religious convictions will continue to be understood in the future as they have been in the past. We hope our Government will continue to respect the conscience of minority groups and individuals.

May the blessing of God be upon the Parliament of Canada and may He grant you, our Honourable Prime Minister, wisdom in the discharging of your many duties as chief executive of our Dominion.

Respectfully submitted,

Fred Haslam, C.J. Rempel, B.B. Janz, J.B. Martin, David Reimer, J.G. Rempel, David Schulz, Elven Schantz, E.J. Swalm.

Our Prime Minister's Comments
to the presented Statement on February 22nd, 1951, on behalf of
the Historic Peace Churches of Canada.

After the nine delegates and several members of Parliament entered the Prime Minister's private office and were introduced to Mr. St. Laurent our spokesman, E.J. Swalm asked C.J. Rempel to read the prepared brief. Thereafter Mr. St. Laurent made some timely and valuable remarks. These we summarized as follows;

1. Mr. St. Laurent referred to the fact that he is only one member of the Government even though he happens to be the Prime Minister.
2. He expressed appreciation for the tribute to the late Prime Minister, Mr. King and for the assurance of our prayers for himself and the Government.
3. He spoke of the hope and efforts of most of the people of Canada towards the prevention of another world war and referred to the fact that the great problems of the world cannot be solved by human ingenuity alone.
4. He mentioned the speech of our King at Christmas time in 1949 in which reference was made to the need for prayer, and pointed out that times then were not as anxious as they are now. The present situation calls for an implementation of the prayer which we use in the morning and several times during the day "Thy Will be done."
5. He assured us that in the event it becomes necessary to take inventory – human and material, ample opportunity would be given for representation of this or any other group before legislation is enacted.
6. He promised to have copies of our statement made and placed in the hands of interested departments.
7. In view of our experience in the past when suitable provisions could be made the Prime Minister did not anticipate any serious difficulty for the future.

8. Upon the conclusion of the interview, while shaking hands with the delegates he expressed appreciation for our visit and pointed out that we all are dependent upon a higher power.

March 7th, 1951

Dear Friend:

You will find enclosed the following documents: (1) copy of a Brief presented to Premier St. Laurent on February 22nd by representatives of the Historic Peace Churches of Canada; (2) Summary of Mr. St. Laurent's comments on this document.

We feel that this whole problem of service in the event of war should be considered carefully by each Monthly Meeting and that steps should be taken to counsel with men and women who are of military age or are approaching military age. It is extremely important that young people should know the traditional stand of the Society of Friends in this matter of war. The passing years with their experience of warfare have only served to confirm the Quaker peace testimony. The responsibility for bringing this matter to the attention of individual Young Friends is a three-fold one. The Canadian Friends Service Committee has sought to keep the matter before Friends in general through periodical statements and through its active Service Committee work. There is a second responsibility on Monthly Meetings and a third responsibility in the home itself.

It may be quite possible for Young Friends in Canada to serve in international peace service units in the months and years to come. Information regarding such possibilities will be brought to the attention of Monthly Meetings as arrangements can be made for work of this kind.

Re: Sponsorships

We are enclosing with this copy of a second dossier from the Canadian Council of Churches in case this family should have qualifications which might be needed by one of our Quaker farm families. The earlier dossier of the family Onischke which was sent to you should be returned to this office if your Meeting is unable to give any hope of sponsorship. Similarly, we should appreciate it if you would indicate before the end of March whether you think your Meeting might be able to sponsor the Tretjakowa family.

Inquiries from this office regarding possible sponsorships are only practical for Ontario Meetings. The Canadian Government has now indicated its readiness to take care of rail travel from Canadian port of arrival to place of employment.

Re: Doukhobors

In the Budget of the Canadian Friends Service Committee sent to you recently, an item of \$600 for the work among the Doukhobors was omitted. We should be glad if you would call this omission to the attention of your Meeting so that consideration may be given to this important part of the work.

Yours sincerely,

Report on the Spiritual State of Society of Newmarket Monthly Meeting for the year ending May 31, 1951.

Our Meetings for worship have been regularly held during the past year. Our membership and attendance is small. Those who are faithfully endeavouring to carry on the work feel the responsibility a heavy one but are striving to hold together in the spirit of unity.

The leadership and friendly co-operation of Douglas and Helen Ropp have been much appreciated. Several visiting Friends have brought us encouragement and inspiration during the year.

For those who have been faithful and regular in attendance there has been much of help and blessing, but we feel too many of our membership are members "in name only" and take no responsibility for the work. Therefore our Meeting misses many opportunities of service.

Philip & Virginia Towle,
164 Reservoir St.,
Holden, Mass., U.S.A.

Dear Friends:

You will have received a letter from Paul Zavitz written for the Young Friends, and which indicated that at the Service Committee meeting last Saturday, warm approval was given to your plan to visit among Canadian Friends.

Lloyd Williams, who was present and who is the Clerk of Montreal Monthly Meeting, indicated that the date, March 18th, would be very suitable for them. The logical next stop would be at the Wellington Meeting, which is south from Belleville, Ontario, in Prince Edward County. There was no one present from this Meeting last Saturday, so that we shall have to write to Friends there suggesting that a visit might be arranged about the 21st of March. Stirling Nelson, who was at the meeting, is a member of the Wooler Meeting, which is situated north of Trenton, approximately sixty miles from Wellington. It may be possible to arrange a combined meeting with Friends in these two localities and I feel that perhaps three days for the two places would be quite enough time to allow

Approaching Toronto, there are one or two Friends still in Pickering, just west of Oshawa. Elizabeth Richardson has been a valued member of the Canadian Friends Service Committee for many years and Marion Cronk has been active in foreign missionary work over a long period of time.

We shall, of course, be very glad to welcome you to Toronto Meeting for a visit here. The situation regarding help in the Meeting itself in Toronto is rather confused at the present time, and perhaps will not have been cleared by the time you arrive. However, a visit will give us a chance to talk over problems which exist and enable you to meet with the very interesting group of young married people and others in the Meeting. It may be that some other meetings can be arranged while you are in this area.

Newmarket Meeting is about 25 miles north of Toronto, and is a sparsely attended pastoral type Meeting which is receiving some help from a theology student. Pickering College, formerly a Friends' school, is situated at Newmarket, and there might be some opportunity for you to have contact with the students. It is now a boys' school only.

Paul Zavitz has indicated that for the Meetings west of the City something would depend on your later plans and the place at which you wish to re-enter the United States. The Meetings are

situated as follows: (1) Coldstream, approximately 18 miles west of London, near the Sarnia Highway, turning north at Poplar Hill. (2) Sparta, south from St. Thomas. Both these Meetings are members of General Conference branch of Friends, (3) Norwich, a Conservative Meeting, south from Woodstock, about 20 miles west of Brantford, (4) Pelham, near Welland, Ontario. We shall be glad to write to these Meetings as soon as we know from you what your views are as to the order in which you should visit them.

We will write from the Service Committee to the Clerks of the various Meetings, and Paul has already indicated his own intention of communicating with Young Friends in the same Meetings. In this way, there should be a double interest in making the arrangements.

[Unnumbered Page - Yonge St. Minutes 1943-49 - 0-41-5]

I think you should think of Paul's comments as to financial assistance as a minimum. Certainly we would not wish you to be out of pocket in making a trip of this kind in the interests of Friends and there is no reason for such a situation.

With best wishes,
Yours sincerely,
FRED HASLAM
General Secretary
