Dear Friends,

I am writing with the exciting news that Canadian Yearly Meeting now has employed a CYM Secretary! The Clerks' Committee is delighted to introduce Cameron Fraser to you as our first CYM Secretary! Welcome Cameron!

Cameron is a member of Vancouver Island MM and lives in Victoria. He will be working from there, although also travelling so that he will be at the Ottawa office from time-to-time. I had the pleasure of working with Cameron last year at Yearly Meeting-in-Session when he served on Agenda Committee. Others have met Cameron as he has been serving on Education and Outreach Committee (E&O). Cameron plans to be at Representative Meeting in June representing E&O so that those attending Representative Meeting will meet him.

Cameron brings lots of energy and experience to this new position. He has been working as the Principal at Pender Islands Elementary Secondary School in the BC Gulf Islands. Cameron has a background in education, in counselling and in organization design and development. All of these skills will assist us as we move forward in developing the CYM Secretary's role.

Cameron will start work in this position on August 1, 2017. Please keep Cameron, the Clerks' Committee and Canadian Yearly Meeting in the Light as we move forward with this exciting initiative.

Yours in peace

Elaine Bishop
