It's all in the details....

Arriving on Site: Make your way to the Student Residence building; we will greet you in foyer! Campus maps will be available for you at registration.

Parking: Each suite comes with 1 free parking pass. Day visitor parking is charged at \$7/day.

Check-In: Georgian Student Residence is a hotel in the summer. Check-in time is 3 pm unless your room is ready earlier.

The Suite Life: Key cards will be issued by the Front Desk. Towels and soap are provided. Bed linens changed 2x week. Sorry folks, no WiFi in the suites; however each bedroom desk has an Ethernet cord... BYOR! (**Bring your own router if you want to create your own WiFi**). Pre-paid laundry cards available at Front Desk – don't forget your detergent.

Emergency Contact: Best to use personal cell phones, however the Front Desk at Student Res is staffed 24/7 and can be reached at **705-722-5190**.

Meals: The Last Class is the name of the campus restaurant where Friends who opted for the 'all-in' rate will eat. Meals are served by staff buffet-style.

Friends who chose **lodging only** will need to fend for themselves off-site for **all meals on Sat Aug 4, Sun Aug 5 & holiday Mon Aug 6, as the cafeteria will be closed**. Sorry, this detail was just discovered in mid-July!

Where my Docs at? The good news... the CYM Office had a facelift and underwent renovations. The bad news... the 2-week interruption means the printed *Documents in Advance* you requested will not be mailed to you; rather they will be ready for you to pick up at registration. Limited supply as it only applies to Friends who noted the request on their form.

Please bring your own thermos and water bottle.
