This website is a place to create unofficial CYM space. You can post Zoom events on the calendar for others to gather around a special interest. You can post artwork, jokes, videos, or websites you'd like to share – unofficially – with others. To ad an event or a posting, fill out one of the forms on the MENU. This is our space to do with as we wish. Molly Forsythe ([cymfringe@gmail.com](mailto:cymfringe@gmail.com)), the Fringe Coordinator says: "Please send any corrections or suggestions to me. I am new to Canadian Friends and appreciate input. CYM Fringe will only be what we make it to be."

### **The Daily Quacker**

*The Daily Quacker* is a long time Canadian Yearly Meeting tradition. When we meet in person, it is usually available after breakfast. Now that we are online, it is posted around 10:00 am Eastern Time. Everyone at CYM is welcome to send announcements, news, comments, short articles, or perhaps a poem. Questions? Contact me at DAILY QUACKER: Submissions.
