A Note about Ride-Sharing

Hello Everyone,

A quick note about transportation needs i.e., getting around the area, leaving camp or?..

If you have a ride to offer or need a ride, there is a sheet in the front space of Haslam, on the table, for ride-sharing info exchange. You can write in your name, need or offer, and relevant information. There is also a bit of info there about the Flix bus that leaves from Waubaushene.

There is also a third option on the Web: Caroster, so called.

Thanks to all who carshare - helping to reduce our carbon footprint, if only a little.

- Sylvia Grady, General Cyclist and Transit User, Hitch-hiking avoidant

An Opportunity to Browse the Archive

A Library and Archives table has been set up in The Meeting Centre to give Friends an opportunity to peruse this material while at camp. Free books are also available.

“Mrs. Woolman held it all together back home.”

“If it lands on my doorstep, I'll do it. Where is my doorstep?”

“You cannot know the outcome.”

“I sometimes find a good word, if I'm lucky it's a sentence.”

“I'm sorry to bother you, but I need the tea cozy under your bum.”
